Dear Mr. Mills:

Re: R613-003-115, Transfer of Notice of Intention, Prophecy #2 and #4 Project  
S/049/015, Utah County, Utah

Thank you for your 1989 Annual Report of Mining Operations. You indicated in the report, that the operation was now leased to Black Night Gold, Inc. with David Schmidt, Cogswell Drive, Salt Lake City, as the new operator. Rule R613-003-115 requires that form MR-TRS, Transfer of Notice of Intention, be completed and filed with the Division. Please note that the new mine operator must assume full responsibility for continued mining operations and reclamation obligations for the small mining operation.

Please complete the enclosed MR-TRS form and return it to the Division in order to formalize the permit transfer for your small mining operation. Thank you for your cooperation.

Sincerely,

Anthony A. Gallegos  
Mining Engineer
